

Commercial Flood Insurance Program

Insurmark offers brokers and clients custom solutions for private commercial flood insurance. We help our clients minimize the cost of flood insurance with technology and analytics, easy in-house underwriting, and carriers dedicated to insuring commercial properties.

The Insurmark Advantage

- 50-state availability
- No 30-day waiting period
- Lender compliant/NFIP guarantee endorsement
- Ability to write multiple properties on one policy
- Consolidate policies to lower premiums and administrative expenses
- Experienced in-house underwriters who have the authority to rate, quote and bind

Commercial Flood Insurance

- Building and contents coverage
- Replacement cost coverage included
- Optional coverage for loss of rents and business income
- Total Insurable Value (TIV) up to \$10 million for select risks
- Target small commercial risks with positive elevation
- Ability to write in Non-Participating Communities and Coastal Barrier Resources Act (CBRA) zones for residential and commercial properties

Let us help deliver a commercial flood solution aligned to your client's needs
